Assignment Instructions

Pursuant to TCA §47-25-507, a registered mark is assignable with the good will of the business in which the mark is used, or with that part of the good will of the business connected with the use of and symbolized by the mark. An assignment must be made by “instruments in writing duly executed.”

An assignment must include within the assignment instrument itself a provision expressly indicating the transfer of “good will” to the assignee.

A separate assignment instrument and cover form must be submitted for each registered mark; if a mark is registered in more than one class, only one assignment instrument and cover form need be submitted. A photocopy of the executed assignment instrument may be submitted in lieu of the original assignment instrument if it is certified by any of the parties thereto, or their successors, to be a true and correct copy of the original.

The filing fee is \$20 PER REGISTERED CLASS.

Upon filing, the Secretary of State will issue in the name of the assignee a new certificate for the remainder of the term of the registration or of the last renewal thereof. **THIS FILING DOES NOT EXTEND THE REGISTRATION PERIOD.**

An assignment of a registration is void as against any subsequent purchaser for valuable consideration without notice, unless it is recorded with the Secretary of State within three months after the date thereof or prior to such subsequent purchase.
